Gasland is the Oscar-nominated documentary on the dangers of hydraulic fracturing, A.K.A. fracking. For more info, visit gaslandthemovie.com

More info on events and venues can be found on the website.

Monthly potlucks are a great place to meet others in the secular community. Bring a dish or (non-alcoholic) drink if you can. We'll have SHCC library books to borrow. Potlucks will be followed by community meetings. Come join us!

WE WANT TO HEAR FROM YOU!

Our mission is to give YOU, the nonreligious of our area, a community with the same sorts of benefits that Christians get through church—friends, shared resources, a sense of belonging, social activities, joint efforts towards good causes, and more. So we'd like YOUR opinion:

- ◇ What are some social events and activities you can see yourself attending and enjoying?
- ◇ What are some local causes you care about and would like to help work towards?
- ◇ Do you have any ideas for ways we can spread the word about our community?

Just take a moment and email us or use the "Contact Us" form on our website, and let us know! We'd love to hear from you!
