Name Change!

At the annual business meeting on June 4, our members voted unanimously to change our organization's name from the Charleston Secular Humanist Community Center to the **Charleston Humanist Community**. We felt that this name is much easier to say and is still true to our organization's essence and our mission statement. →

Please note our new website address and email address:

“Our mission is to connect and serve people in our community outside the context of religion by organizing local events such as picnics, potlucks, service activities, discussions, and various social events.”

Other Changes

The following decisions were also reached at our business meeting:

Change in Membership Dues

Membership dues will now be \$10 every six months, or \$20 per year, to help cover the cost of our expenses (such as our website, event supplies, and venue reservations).

As before, dues give members the privilege of voting in our business meetings. Anyone may attend our events without being a member.

New Officers

We voted in the following officers for our new annual term (June 2016 – June 2017):

- Chairperson: Anna Eplin
- Co-Chairperson: S.T.
- Treasurer: Lyndsey Thompson
- Secretary: Correy Beard

Closing Meetup.com Group

In order to help balance our budget, we will cancel our Meetup.com membership.
