## *News*

### **West Virginia Flooding Tragedy**

Our hearts go out to all those in our area who have lost their homes, vehicles, possessions, and even loved ones due to the recent flooding catastrophe.

If you are in need of help and don't know where else to turn, we hope you'll reach out to us (contact info above), and we'll do whatever we can to help you.

On Saturday, July 9, we will be volunteering as a group at a donations distribution center in Quincey (see details below). The organizers at Volunteer WV have said that their warehouses have received *mountains* of donations of food and other physical items, and their main need is for people to help sort the items in order to distribute them to people in need. (They also need financial donations to support their efforts; you can donate online at [www.VolunteerWV.org](http://www.VolunteerWV.org).)
